## BARRIERS

The MIT Press, Cambridge, Massachussets, USA, 1997. Paperback. Book Condition: New. Sixth Printing. This monograph explores several complex questions concerning the theories of government and bounding, including, in particular, the possibility of a unified approach to these topics. Starting with the intuitive idea that certain categories in certain configurations are barriers to government and movement, it considers whether the same categories are barriers in the two instances or whether one barrier suffices to block government (a stricter and "more local"...
