aPress, United States, 2006. Mixed media product. Book Condition: New. Express ed. 232 x 178 mm. Language: English . Brand New Book. * Written by Peter Wright, who taught 100,000 new programmers how to program in Visual Basic when Microsoft last launched a new product so suitable for new/hobbyist and aspirant programmers. The same Peter Wright style today makes this book the best Express tutorial available. * Covers all the key features of Express C# in a friendly, accessible style, and opens up a whole range of exciting continuation products in the Apress roadmaps for when the new programmers wants to continue their journey. * C# is the language of the future and a lot of aspirant programmers are going to choose C# as their entry-point into programming. This book serves that new community of programmers and presents a first-class author to guide them.
