Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **Senn s Culinary Encyclopaedia: A Dictionary of Technical Terms, the Names of All Foods, Food and Cookery Auxiliaries, Condiments and Beverages; Specially Adapted for Use by Chefs, Hotel and Restaurant Managers, Cookery Teachers, Housekeepers, Etc., Being a Revised, Greatly Improved, An** The object of this little book is intended to show the reader at a glance the meaning of certain words and expressions used in cookery and gastronomy. It gives in a concise form such information which would otherwise cost much time and labour to obtain. It is a dictionary of culinary technical terms, the names of most food stuffs, food and cookery auxiliaries, condiments and beverages. The names of many new delicacies and foods will be found duly registered, whilst all the foreign terms used in menus and recipes are translated or explained. In short, every subject referring to the table or cuisine has been judiciously treated, and the so-called technicalities have been rendered intelligible. The work is by no means complete, and I do not wish it to be regarded as such; though I trust by means of it many a difficult question will be answered, and that it will be found a helpful and convenient manual of reference by professional cooks, cookery teachers, managers of hotels, clubs, restaurants, and of households. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
