

How to be a Spy: The World War II SOE Training Manual

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

Dundurn Group Ltd, Canada, 2004. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. In the early years of World War II, Special Operations Executive (SOE) set up top secret training schools to instruct prospective agents in the art of being a spy. By the end of 1941, an international network of schools was in operation in secluded locations ranging from the Scottish Highlands to Singapore and Canada. How to Be a Spy reproduces the extensive training manuals used to prepare agents for their highly dangerous missions behind enemy lines. The courses cover a variety of clandestine skills including disguise, surveillance, burglary, interrogation, close combat, and assassination - everything needed to wreak havoc in occupied Europe. Secret History Files is an exciting series from The National Archives that puts covert history in readers hands. Dossiers previously classified as Top Secret are now available, with an introduction and background analysis by expert historians. Denis Rigden was engaged in information and historical research for the Foreign and Commonwealth Office for over 30 years. He is the author of Kill the Fuhrer: Section X and Operation Foley, and has in recent years made a study of the SOE.
