Maybe because Desdemona, Ophelia and Lady Macbeth are rather tragic figures with a developed character. All main female characters seem to have the same tragic element attached to them namely their early unnatural death. Potter sees this early death as an erotic quality which seems to be inherent in all of Shakespeare s female characters¹. All women seem to have loaded guilt upon them prior to their death. Lady Macbeth is guilty of at least helping in carrying out a murder. Gertrude is guilty of remarrying so quickly after her husband s...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
