Paperback. Book Condition: New. Not Signed; Julie Powell's Julie & Julia is the story of the culinary blogging sensation that inspired the hit film. Living in a tiny apartment in New York and trapped in a job she hates, Julie Powell sees life passing her by. Then one night, she notices that the few items she's grabbed from the Korean grocery store are the few items she's grabbed for Potage Parmentier, as described in Julia Child's legendary cookbook, *Mastering the Art of French Cooking*. And The Project is born. Julie begins to cook - every one of the 524 recipes in the book, in the space of just one year. Soon The Project is all she can think about. While the richness of the food she slaves over spreads into the rest of her life. Sassy, quirky and disarmingly honest. Powell draws high-calorie comedy from her exploits. (Marie Claire). A gem of a book. both hilarious and touching. (Glamour). Julie Powell started to entertain readers on her infamous blog, on which she pledged to cook all the recipes from Julia Child's iconic cookbook *Mastering the Art of French Cooking*. The blog achieved a dedicated following and, as a result of this, it evolved into Julie & Julia - a novel which connects Julie's blog to a reworking of Julia Child's biography. Julie & Julia was adapted for film by Nora Ephron in 2009 and starred Meryl Streep and Amy Adams. *Cleaving*, the sequel to Julie & Julia, is also available from Penguin. book.
